By signing this form you acknowledge and agree that:

1. You have authority and consent to complete this form.
2. Activata is stopping Paymark Eftpos/merchant service from the above effective date.
3. Please allow 7 working days from the above effective date to process.
4. Paymark closing date is the final closing date of that month. Paymark doesn't do part payment. All service fee charge monthly. You will receive final invoice/bill from Paymark and you will require to pay your final payment.
5. If I would like to have new Eftpos service from another provider, I will have to contact a new provider and get the new Eftpos ID live before Activata turns off the merchant ID. I understand once Activata turns off the merchant ID, all Eftpos service will stop.
